The School of Nursing & Health Studies RN-to-BSN program was designed to meet the demanding schedule and career mobility of the working Registered Nurse. The curriculum provides an on-line option for learning and convenient clinical sites to meet educational requirements.

**Program Highlights**

- RNs complete the BSN in 5 consecutive semesters (30 credit hours)
- RNs awarded 30 additional credit hours at no tuition cost based on RN license
- Didactic coursework is online
- Clinical requirements are met through convenient clinical sites

**Admission Requirements**

- **RN LICENSE** (active and unrestricted to practice in the state of Florida)

- **60 Transferable Credits**
  Completed in non-vocational, non-nursing courses with a grade of “C” or higher at a regionally accredited institution; must include the following prerequisite coursework:
  - English Composition I
  - English Composition II
  - Statistics
  - 9 credits in Arts & Humanities
  - 9 credits in People & Society

- **Minimum 2.5 GPA**
